UNIVERSITÀ DI PAVIA

Master in Medicine and Surgery 6 years - Harvey course

Harvey Medical Course

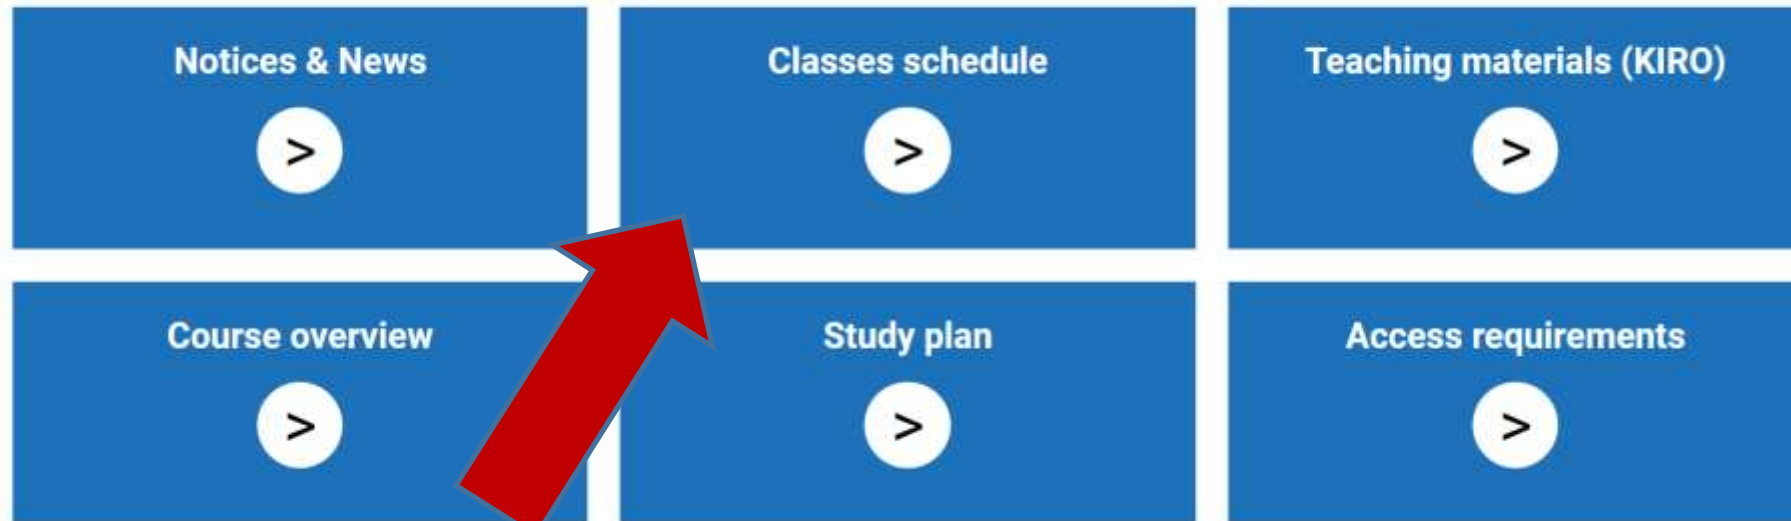

The First Medical Course in Italy taught in English

"Not just to teach the medical profession, but also to build a solid scientific basis for continued training that will be vital for the reception and understanding of future medicine." - Harvey motto

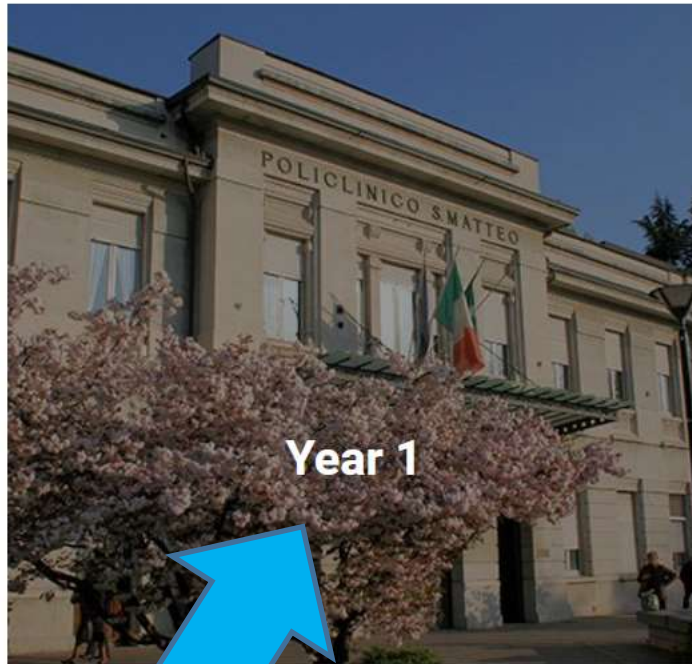

How to check your TIMETABLE from the course homepage:

Programme

Choose the right year

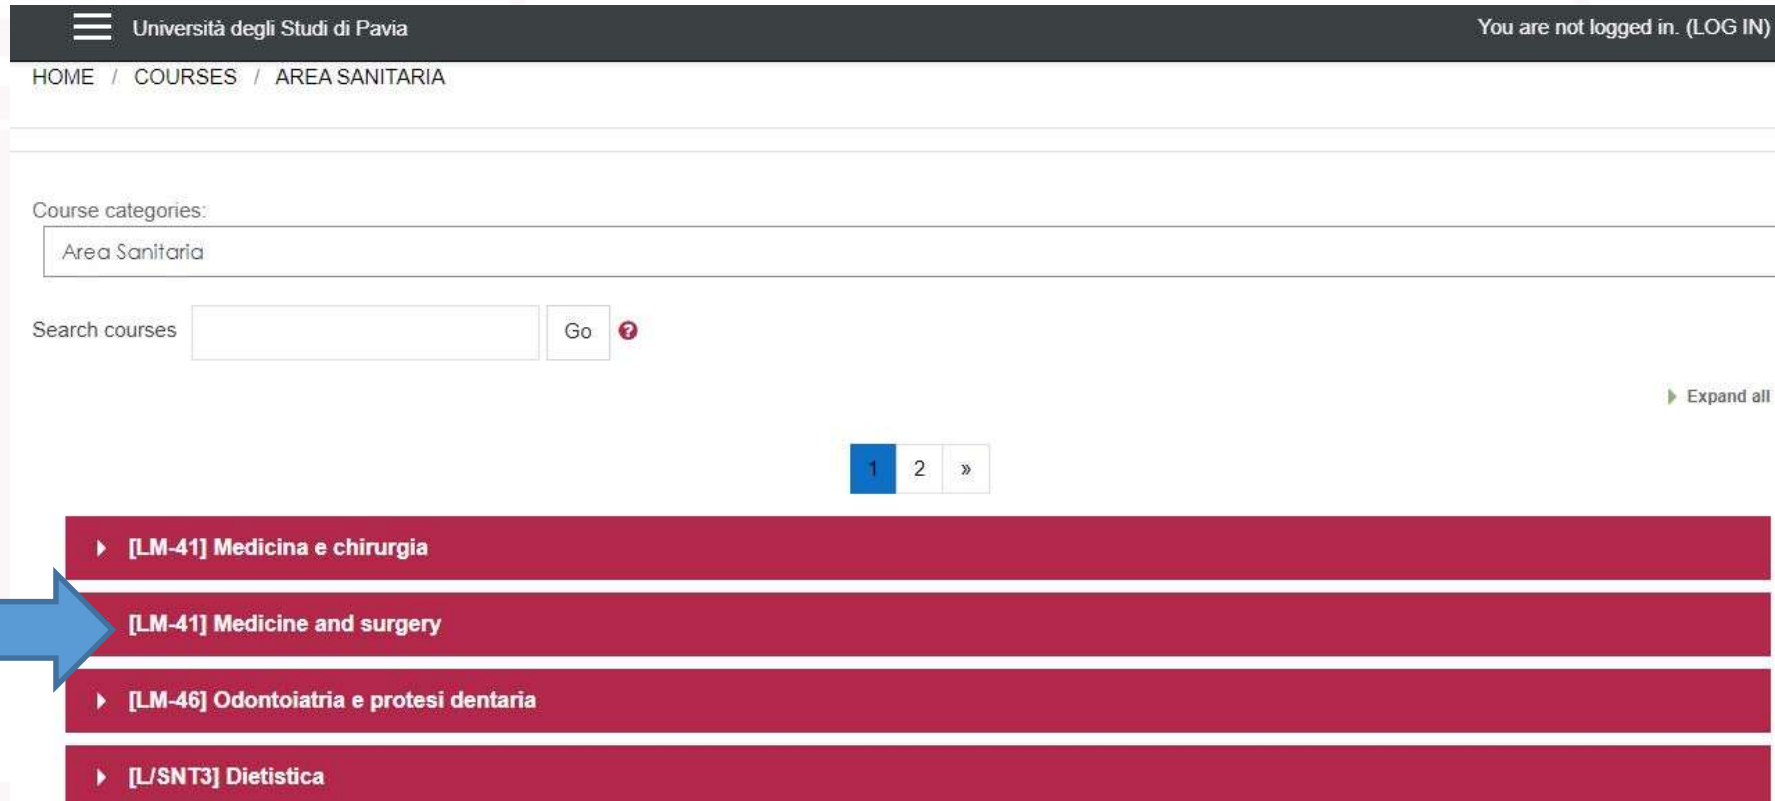

How to check TEACHING MATERIAL

Go to

<https://elearning.unipv.it/course/index.php?categoryid=106&lang=en>

Log in and then select the right course:

The screenshot shows the elearning.unipv.it website interface. At the top, there is a dark navigation bar with the university logo and name "Università degli Studi di Pavia" on the left, and the text "You are not logged in. (LOG IN)" on the right. Below the navigation bar, there is a breadcrumb trail: "HOME / COURSES / AREA SANITARIA". The main content area is titled "Course categories:" and contains a search bar with the text "Area Sanitaria". Below the search bar, there is a "Search courses" section with a text input field, a "Go" button, and a help icon. To the right of the search section, there is a link "Expand all". Below the search section, there is a pagination control showing "1" (highlighted in blue), "2", and a right arrow. The main content area displays a list of courses in a dark red box with white text. The courses are: "[LM-41] Medicina e chirurgia", "[LM-41] Medicine and surgery", "[LM-46] Odontoiatria e protesi dentaria", and "[L/SNT3] Dietistica". A blue arrow points to the "[LM-41] Medicine and surgery" course.
